***Response to Amendment***

1. The reply filed on October 14, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In response to the Office Action mailed May 23, 2005, Applicant selected the cartridge species represented in Figures 1-7. Original Figures 1-7 did not show the species of the cartridge being integrally formed with the spray tip body. Figure 3B is a new species and is non-elected. Therefore, any claims reciting the spray tip exit, hose attachment nipple, or any structure not part of the elected cartridge species, are drawn to non-elected species and have been withdrawn from consideration. Currently, all claims include these limitations, and all claims are withdrawn from consideration. In this manner, this amendment as filed has no examinable claims and is non-responsive. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
